### **Barbara (Bobbie) Olivo Cagle** **Past President: (2005-2007)**

Barbara Olivo Cagle has written a true story about her mother, Jacqueline Rose Nunez Olivo, “Rose.” She was pregnant 4,500 + days! It is a story of family, love and legacy, and how Rose raised her sixteen children with true mastery! For more information on *16 x MOM* go to: [www.barbaracagle.com](http://www.barbaracagle.com)

Barbara is the thirteenth of Rose’s sixteen children. She was born and reared in San Jose, California. St Joseph’s School was the foundation for her education through eighth grade. In Notre Dame High School, Barbara went by her nickname, “Bobbie.” She was involved in numerous school activities, played the drums, was a cheerleader, song girl, sewed, and created various forms of artwork. She aspired to acting and performed in the Notre Dame Shakespearean Festival. Rumor has it that she pulled a fire alarm near the end of the festival that created some confusion and concern. In her senior year, on February 14, 1970, she was involved in a tragic toboggan accident. Bobbie crashed into a huge pine tree and was confined to a bed for a couple months. The instant before impact, an out-of-body experience flashed before her eyes, and the love of her family and friends left her with a dream to write a story of her mother. During her recovery she collected letters and memorabilia from her family.

In her second year of college she met her wonderful Navy husband, Donald J. Cagle. He was attending college in Palo Alto, California. Prior to their marriage, she traveled Europe with two of her sisters for six weeks. Not long after she returned from Europe, Bobbie and Don were

married on April 21, 1974. God blessed them with two beautiful children: Jocilyn Roselle in 1975 and Jason John in 1977.

From 1976 to 1979 Bobbie volunteered her time as a cheerleader and pep club instructor for the Oslo American School, in Oslo, Norway. She spent time in North Chicago, Illinois; Monterey, California; and Guam, before residing in Spokane, Washington to rear her children. Bobbie enjoyed an extremely successful career in real estate from 1988 to 2002. She served as President of the Spokane Authors & Self-Publishers from 2005-2007. Currently she performs with the “Tap Grandmas” of Spokane.

Pregnant 4,500 + Days!

At the age of four, Jacqueline Rose Nunez was placed in the care of "Ma," a withered old lady. Rose, a diligent, obedient shy child bent to all of the old woman's demands.

Through her youth, the yearning for her parent's and siblings' affection remained buried inside her. As she matured, however, Rose planted in a learning garden filled with books and dreams that carried her around the globe and nourished her mind, in a wealth of knowledge.

When she married Nello John Olivo, Rose's rooted passion for family sprouted into an unconditional love. Her previous enduring and trying experiences intensified her appetite for life and blossomed into sixteen long stem roses, her term of endearment for her sixteen children.
