Prey to the Order: An aon Lah Hathra Adventure

B07Z48BR56 1700086456

The order of Gaelach Fola was dedicated to the works of the great God Aeron, specifically known as the Order of the Blood Moon of Aeron, the God's own force. At one point in history the Knights rode freely upon the land, in full armor, defending the lives of the Aon Lah Hathra from the persecution of humankind, protecting Lycanthropes, Succubi, Fae, Vampires, Blood Witches and many more from the damnation of man. Without the Blood Knights, the death toll of the Inquisition would have quadrupled. Innocents were hidden, protected and defended. Now, in this modern world, the Knights worked a bit more discreetly, but the job was, essentially, the same. Protect and

defend the non-human races, keep the innocent safe, and try to avoid a global war.
