## **Return from Armageddon** B005JVAJKQ 1477655727

In this futuristic story of One World Government, the ultimate fate of mankind rests with a handful of people. Although they don't trust each other, they have one thing in common: a threat from beyond the solar system. Does their planetary defense system stand a chance against the invading alien force?

*Return From Armageddon* is available on Amazon, including Kindle and Spokane Area bookstores.

## **Meadowlark Madness**

**B0097D599I 1479181714**

Emily Trace is a young widow with a mission: to find out who murdered her husband. The police are baffled, and after six months she decides to take matters into her own hands. Opening her own detective agency - E. T. Investigations - seems to Emily like a good way to look for clues. That is, until her first client shows up with the mistaken impression that E. T. stands for Extra Terrestrial instead of Emily Trace. He hires her to look into an alien abduction case involving a species of bird - meadowlark, no less - and before she can say UFO, Emily is embroiled in a case that will change her life.

Set in the Pacific Northwest city of Spokane, Washington, *Meadowlark Madness* takes the reader on a trek through several of the sleepy farming communities in the area, where Emily encounters some strange

happenings and a few unexpected side trips.

*Meadowlark Madness* is available from Amazon as a paperback or as a Kindle edition, as well as in local Spokane area bookstores.

## Taming of the T-bird

**B00SZDIQTQ 1505963982**

A small town carpenter comes to detective Emily Trace with a car problem which she suspects is more than mechanical. In her quest to tame the errant T-Bird, Emily becomes embroiled in murder and arson, and encounters an alien megalomaniac and his minions who have designs to take over the planet. It's up to her – with a lot of help from her friends – to thwart their evil schemes, but can she stop them in time?

Taming of the T-Bird is available on Amazon, including Kindle and in local Spokane area bookstores.

## The Gluten Free Gourmand

**B00TRBKT9U 150853134X**

This little cookbook has within its pages recipes most anyone can prepare at home at a reasonable cost. No exotic flours, just good-tasting food even people without gluten allergies or sensitivities will enjoy.

## Send In The Drones

B07TFDFV59 1726834662

Disappearing drones, self-replicating drones, and a new version of Drone Wars befuddle the heretofore unflappable Spokane PI Emily Trace and her crew. Join Emily and her friends from near and far as she delves into the mysteries of disappearing mail and cloaking devices, and faces off with a control freak and a laser-armed attacker.

## Short Trips to Alternate Universes

B08P342L5V B08P3QTJQL (paperback)

A collection of compositions by the author spanning about 30 years in Earth time and who knows how long in the space-time continuum.
